6. [ ] I met with Congressman August E. Johansen (R., Mich.) as a follow up to the Congressman's request of 22 February that we check specifically whether the possibilities of employment through an organization such as [ ] former organization [ ] I affirmed that such possibilities had been explored but that the Agency had no immediate position for him and that any further possibilities were so nebulous that we did not want to encourage his looking to us for employment in the future. The Congressman indicated that this was fine, that he did not have any desire to interfere with our considerations, but that since it would appear that the young man had some merit by his own estimation and by our evaluation he would appreciate it if the young man's name were kept under consideration for possible future utilization and that if he were to be utilized and appropriate to do so, that he be advised of the matter. Mr. Johansen was advised that [ ] offer of service would be kept under active consideration and that his request for informal advice, if possible, concerning future utilization would be noted.

7. [ ] I discussed briefly with Mr. Robert Smart, Chief Counsel, House Armed Services Committee, the constituent's letter from [ ] Georgia, which was forwarded by Chairman Vinson (D., Ga.) on February 20. It was suggested to Mr. Smart that since the Chairman had not requested any specific action that no acknowledgment was necessary and that the letter be filed.
